

Committee Appointment Recommendations

To: National Officers, Past National Presidents, Department Presidents, Department NEC's, and Local Auxiliary Presidents:

Please fill out this form below with your recommendation for appointments to National Committees. Make sure the people you nominate are aware they should be available to attend any meetings scheduled for National Convention. If they cannot attend the meetings, please do not nominate them for an appointment. While we encourage members to participate on committees, it is important that they choose only (1) one committee appointment. Because of scheduling it is often difficult to attend more than one committee meeting.

This form must be received at National Headquarters by **NOVEMBER 1st** or the Committee Appointments will not be made.

The Committees are:

Americanism
History & Scrapbook
Pages/Uniform

Child Welfare
Hospital
Scholarship

Community Service
Junior AMVETS
VAVS

Constitution & Bylaws
Membership
