

Committee Appointment Recommendations

To: National Officers, Past National Presidents, Department Presidents/NEC's, and Local Auxiliary Presidents:

Please fill out the form below with your recommendations for appointment to National Committees. Make sure the people you nominate are aware they should be available to attend any meetings scheduled for National Convention. If they cannot attend the meetings, please do not nominate them for an appointment. While we encourage members to participate on committees, it is important that they choose only (1) one committee appointment. Because of scheduling it is often difficult to attend more than one committee meeting.

Form must be received at National Headquarters by **NOVEMBER 1st** or the appointments will not be made. The Committees are:

Americanism
Membership

Child Welfare
Hospital/VAVS

Community Service
Junior AMVETS

Constitution & Bylaws
History/Scrapbook

Scholarship
