

## AMVETS National Ladies *Auxiliary*

*"We waited together...  
Now let's work together."*

May 2024

Department Auxiliaries:

At the Spring 2024 NEC meeting it was approved to reserve the 2023-2024 donations made to PAWS With a Cause® to sponsor the renovation of the Canine Development Center, or Breeding Room at the PAWS campus in Wayland, Michigan. The cost of this project is \$25,000.00.

Through the innovation and generosity of our Auxiliaries I am confident we can reach this goal and help PAWS continue their mission of empowering lives, propelling PAWS into a new era.

Thank you!

Respectfully,

*Laura Rose Bugaj*
